Allowable Subject Matter

1. Claims 25 and 26 are allowed.
2. The following is an examiner's statement of reasons for allowance: defining an open space formed between proximal and distal stops and limiting the contact of the plunger with the impact head within said opening overcomes obviousness rejections over prior art of record, since such modification would destroy the references.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Hadi Shakeri whose telephone number is 571-272-4495. The examiner can normally be reached on Monday-Friday.
